Kabul City - July 7<sup>th</sup>, 2010.

The ECC has received from the Vetting Committee an official letter with a list of 31 members of the illegal armed groups whom have candidate themselves to the Wollesi Girga elections, the VC elaborated that the candidates in question though have been given the chance to defend their disqualification they failed to be acquitted by the Vetting Commission , therefore, based on the article 12 clause 7 of the Electoral Law, the ECC found that these citizens cannot candidate themselves for the election, and therefore the ECC decided that their names should be removed from the final list of the candidates of Wolesi Girga elections and conveyed its decision to the IEC.
