

## **ECC held an Administrative and Finance Training Workshop**

On the 4<sup>th</sup> and 5<sup>th</sup> of August, a seminar was held at the Kabul International Club that brought together 75 administrative and finance staff members of the Provincial Electoral Complaint Commissions (PECC) and the Electoral Complaints Commission (ECC).

The training underlined some key issues such as the ECC and PECC administrative and financial long term operational plan, the recruitment and the management of human resource, the administrative and finance performance management, the administrative and financial systems. This two-day workshop also provided the participants with information regarding transportation, equipment, development and improvement of management and distribution of petty cash.

Besides these discussions on the financial and administrative responsibilities of the PECC and the ECC, this workshop was also an occasion for the staff members to meet with each other and to strengthen the performance of the complaints adjudication process for the coming elections.
